ASSIGNMENT

1757 Misty Lane LB 09/18/03
WHEREAS, We, Laurent Bellaiche, of ~~1824 Pine Cone Drive~~, Fayetteville,
1257 LB 09/18/03 72701
Arkansas 72704; Aaron M. George, of 7549 Strawberry Road, Summerfield, North
Carolina 27358; and Jorge Iniguez, of 348 N. Summit Ave., Apt. 203, Gaithersburg,
Maryland 20877-3716 ("Assignors"), have invented certain new and useful
improvements in an invention entitled "Enhanced Electromechanical Properties in
Atomically-Ordered Ferroelectric Alloys", set forth in United States Patent Application
No. 10/632,740 filed on August 1, 2003 and claiming the benefit of U.S. Provisional
Patent Application No. 60/401,995 filed August 8, 2002; and

WHEREAS, the Board of Trustees of the University of Arkansas, a public body
politic and corporate, duly established under and pursuant to the laws and Constitution
of the State of Arkansas, and having an office and place of business at the University of
Arkansas, 2404 North University Avenue, Little Rock, Arkansas 72207-3608
("Assignee") is desirous of acquiring the entire right, title and interest in said invention,
in said application, and in any Letters Patent or Patents, United States or foreign, to be
obtained therefrom;

NOW, THEREFORE, for good and valuable consideration, the receipt and
sufficiency of which is hereby acknowledged, We, the said Assignors, and by these
presents do assign, sell, transfer and set over, unto the said Assignee, its successors,
legal representatives and assigns, the entire right, title and interest in and to the above
mentioned invention, applications for Letters Patent, and any and all Letters Patent or
Patents in the United States of America and all foreign countries which may be granted

therefor and thereon, including all rights to claim priority, and in and to any and all divisions, continuations, and continuations-in-part of said application, or reissues or re-examinations of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by the said Assignee, for its own use and behoof, and the use and behoof of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignors, had this sale and assignment not been made.

And for the same consideration, the said Assignors hereby covenant that no assignment, sale, agreement or encumbrance has been or will be entered into which would conflict with this assignment.

And for the same consideration, the said Assignors hereby covenant and agree to and with the said Assignee, its successors, legal representatives and assigns, that the said Assignors will, whenever counsel of the said Assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said inventions, or said applications for Letters Patent or any proceeding in connection with Letters Patent for said inventions in any country, including interference proceedings, is lawful and desirable, or that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent

for said inventions, without charge to the said Assignee, its successors, legal representatives and assigns, but at the cost and expense of the said Assignee, its successors, legal representatives and assigns.

And the said Assignors hereby request the Director of the United States Patent and Trademark Office to issue said Letters Patent of the United States to the said Assignee, as the Assignee of said inventions and the Letters Patent to be issued thereon for the sole use and behoof of the said Assignee, its successors, legal representatives and assigns.

SIGNED this 18 day of September, 2003.

**STATEMENT CLAIMING SMALL ENTITY STATUS -
NON-PROFIT ORGANIZATION**

I hereby state that I am an official empowered to act on behalf of the non-profit
organization identified below:

Board of Trustees of the University of Arkansas

Address: University of Arkansas System
2404 North University Avenue
Little Rock, Arkansas 72207-3608

Type of Organization: University

I hereby state that the non-profit organization identified above qualifies as a non-
profit organization as defined in 37 CFR 1.27(a)(3) for purposes of paying reduced fees
under Section 41(a) and (b) of Title 35, United States Code, to the Patent and
Trademark Office with regard to the invention described in the specification identified
above.

I hereby state that rights under contract or law have been conveyed to and
remain with the non-profit organization with regard to the above-identified invention.

[If the rights held by the non-profit organization are not exclusive, each individual, concern or organization having rights in the invention must file separate verified statements averring to their status as small entities and that no rights to the invention are held by any person, other than the inventor, who would not qualify as a person under 37 CFR 1.27(a)(1) if that person made the invention, or by any concern which would not qualify as a small business under 37 CFR 1.27(a)(2) or a non-profit organization under 37 CFR 1.27(a)(3).]

Each person, concern, or organization having any rights in the invention are listed below:

This invention was made using support from agencies of the United States Government: Office of Naval Research Grant Nos. N00014-00-1-0542 and N00014-01-1-0600 and National Science Foundation Grant No. DMR-9983678. The government has certain rights in the invention.

I acknowledge the duty to file, in this application or patent, notification of any change in status resulting in loss of entitlement to small entity status prior to paying, or at the time of paying, the earliest of the issue fee or any maintenance fee due after the date on which status as a small entity is no longer appropriate.
